

Instruction & practice are what it takes to become better at this game and make it more enjoyable day in and day out.

Just ask the Pro's

“What you might learn in six months of practice, your pro can tell you in five minutes”

Jack Burke, Sr.

“If the average player gripped a knife and fork the way they grip a golf club, they'd all starve to death.

Sam Snead

“Don't be too proud to take lessons.

I'm not.”

Jack Nicklaus
